"SAFE DISTANCING"

THE COVID-19 CHRONICLES

"UNSUNG HEROES"

Yes, we're headed to the isolation ward now.

Get ready for 7 new patients arriving today.

You'll need 2 negative swabs to be discharged.

Stay strong.

Let's do a quick lunch break then get back to work.

OK, I'm famished!

The silent army of housekeepers, porters, security and kitchen staff working in the background keep the environment clean and safe for everyone. They are our unsung heroes.

Dr Dale Fisher is Professor in Infectious Disease, NUS, and Chair of the Global Outbreak Alert and Response Network, WHO.

THE COVID-19 CHRONICLES

"DON'T REUSE SOGGY MASKS"

Disposable masks must be changed when they become wet.

They shouldn't be reused because they trap harmful particles inside their mesh of fibres.

This hazardous build-up cannot be cleaned out without damaging the fibres or other parts of the mask, like...

Never wash or disinfect disposable masks. Discard them if they are wet.

Dr Dale Fisher is Professor in Infectious Disease, NUS, and Chair of the Global Outbreak Alert and Response Network, hosted by WHO.
